A strong personality.

Intriguing and seductive, the Renault Clio shows its modern and distinctive style. Its lighting signature, integrated in the Pure Vision LED headlights*, is instantly recognisable. From the side, its 17" two-tone alloy wheels (standard on Intens) underline its dynamic silhouette.

Attention to detail.

Refined upholstery, full grain leather wrapped steering wheel and quality finishes set the atmosphere in the passenger compartment.

*Standard on Zen and Intens.

The Renault Clio shows its assets.

Renault Clio isn't just seductive. With its forward-thinking technology and on-board comfort, the Renault Clio transforms your travels into sensory experiences. Discover connectivity that is as innovative as it is intuitive with the R-LINK system* and enjoy an immersive musical experience with 3D Sound by Arkamys*. Take advantage of driving aids such as the reverse parking camera or the hands-free parking* for peace of mind and a choice of efficient engines to suit your needs.

Performance and control.

Based on the combination of innovative technologies, some of which are the direct result of motorsport racing, the Renault Clio ENERGY engines are a tour de force: They optimise driving pleasure while managing the consumption levels.

ENERGY TCe120 Strength and performance

Enjoy sharp acceleration with this petrol engine mated with a 6-speed dual-clutch EDC automatic transmission.

The 88kW engine delivers 190Nm of torque at 2,000 rpm, which guarantees a responsive behaviour in all situations. Pleasure without limits.

ENERGY TCe90 Stop & Start Efficient driving*

This efficient Stop & Start petrol engine is mated with a manual 5-speed gearbox and delivers a responsive drive whilst keeping the fuel consumption at a frugal level.

EDC Automatic gearbox

The 6-speed dual-clutch EDC automatic gearbox is available with the TCe120 petrol engine. Upshifting is fast and smooth, with no jerking or loss in acceleration.

Stay connected on the move.

MediaNav*

Renault's on-board touch screen tablet MediaNav provides access to useful and practical features including: navigation, media from multiple sources, hands-free telephone using Bluetooth® technology# and 'Eco Driving' coach giving you advice to reduce your daily fuel consumption. Enjoy stress free travel with Renault MediaNav.

Manoeuvring has never been such fun.

Renault innovation makes your trips endlessly more enjoyable. The driving aid technologies offered by the Renault Clio make your manoeuvres easier so you benefit from enhanced safety for a comfortable drive.

Hands-free parking (with R-LINK)**

Tight spots have never been easier to handle with hands-free parking. The system assesses the available space and defines the trajectory. Let it take control of the steering whilst you simply control the speed for hassle-free parking.

The hands-free parking system has 12 sensors placed on the front, rear and sides to detect a spot with adequate dimensions to park your vehicle.

Reverse parking camera system

Front^ and rear parking sensors, with reverse parking camera, that displays the image on the navigation system screen alongside guidance aids.

Hill Start Assist (HSA)

When starting the vehicle on a hill the brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

^^ Voice control uses Bluetooth® capability. #Bluetooth® compatibility may vary depending on phone.

Our quality. Your peace of mind.

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

Comprehensive Warranty

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

Capped Price Servicing

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 90,000 km (whichever occurs first) behind the wheel. The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. And because you're busy, Renault vehicles are designed to require servicing only once per calendar year or every 30,000 km (whichever occurs first) – not every six months like some manufacturers.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to four years when you service your vehicle with Renault, regardless of how many kilometres you travel. Simply call 1800 009 008 and we'll provide the support you need. Available 24/7, 365 day a year, all across Australia.

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1 year unlimited kilometres warranty. Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.
