Passion for life

Renault MEGANE WAGON

"Rorty, enjoyably punchy engine; direct and responsive steering; sporty driving dynamics and a lower start price than some rivals..."

Matt Campbell
Senior Editor, Caradvice.com.au

"The new hatch offers conviction through bends, exhibiting poise and precision in a way that would leave other 'warm hatches' trailing in its dust."

Sam Hall
Senior Writer, Drive.com.au

Escape to the country.

With stylish good looks and sophisticated design, every drive becomes an adventure.

Whether you're heading to the country or exploring the inner-city, the Renault Megane Wagon provides responsive power with effortless style. As smart as it is good looking, the Megane Wagon offers impressive technological features such as; Electronic Stability Control, Bluetooth® phone connectivity, cruise control with speed limiter and the enviable R-Link Enhanced Satellite Navigation and Media Centre^.

The agile handling and luxurious feel are further enhanced by the integrated 7" touchscreen tablet, front and rear parking sensors and carbon-fibre effect dash in the GT-Line and GT 220 models. For high-performance enthusiasts, you can't go past the GT 220 variants, offering authentic Renault Sport credentials, the advanced R.S. Monitor telemetry system and an amplified 2.0L engine.

Confident and charming, there's a Megane Wagon to suit every lifestyle.

^Excluding Dynamique

Overseas model shown

Sophisticated design.

Exude confidence without compromising on style.

With a bold silhouette, every Megane model makes a defining statement. The Renault Megane Wagon re-invents the family car, boasting sporty characteristics refined to the last detail.

Co-developed with Renault Sport, both GT-Line and GT 220 models exhibit unique styling and performance to the specially designed bumpers, and signature lighting arrangement with LED daytime running lights and enhanced interior trim.

Alloy wheels are a standard across the Renault Megane range, as are satin-grey accents and leather-wrapped steering wheel and gear knob. Bold design is further accentuated in the athletic, more commanding GT Line and GT 220 variants boast carbon fibre accents across the dash and a panoramic sunroof in the Premium models.

Space for living.

Make room for every passion,
whether you're packing for five or two.

From weekend getaway to adventure sports or family time, the Renault Megane accommodates an impressive load. Whether it's your snow gear, bikes or a pram, you can be confident it'll all fit into the boot of the Wagon.

The Renault Megane Wagon boasts an impressive 524L of boot space with the rear seats folded flat. Plus, there's an additional 38L of space beneath the floor, with luggage net to prevent your possessions from shifting around on the move.

Extraordinary performance.

Tackle every twist and turn with motorsport performance and fuel efficiency.

Since 1977, Renault has been a driving force in Formula One, designing and developing engines for some of the most successful teams in history. What we've learnt on the racetrack, goes straight into the development of all Renault vehicles. So when you feel the dynamic power and responsive performance from behind the wheel of your Renault Megane, you'll know it's thanks to our engineering team's decades of motorsport experience.

In fact, when it comes to high-performance, the Megane GT 220 takes driving to a new level. It features the same breathtaking engine as the renowned Megane R.S., with a Sport chassis worthy of its racetrack heritage. It also boasts automatic Stop&Start engine technology for advanced fuel efficiency and the class-leading R.S. Monitor telemetry system.

FIND A DEALER

Smarter safety.

Rest assured, the Renault Megane has been designed with optimum protection.

With a mix of active and passive safety features, you and your passengers can enjoy more peace of mind. Electronic Stability Control keeps things together, automatically detecting any loss of control and applying the brakes to keep you on the road. With its ASR anti-skid system and understeer control, your vehicle stability is maximised, even under tough conditions.

In the case of impact, the active safety system provides instant and effective protection for every occupant. Consisting of six airbags and side impact sensors it is designed to envelop the driver and passengers. From the auto headlights and wipers to cruise control, the Renault Megane has been designed with features to make the drive easier for you, with less potential distractions.

Premium models are also fitted with the innovative Visio System to provide an enhanced level of safety assurance. The Visio System detects road markings and the position of your vehicle to alert you when you stray from your lane. This system even automatically adjusts the headlights from high to low beam when required.

Exterior

1. Electric panoramic sunroof* 2 Alloy wheels^ 3. LED daytime running lights 4. Satin grey highlights 5. Automatic dusk sensing headlights^

*Premium models only 18" Serdard alloy wheels shown

Choose your adventurer

There’s a
Megane for
every driver,
with a range of
modern design
and intuitive
technology.

Dynamique

A charming entry level model to the range. Melding practicality with economy, the Dynamique Wagon brings a more commanding look to the family-car boasting comfortable cabin space, sleek design and motorsport-inspired performance.

GT-Line

The Megane GT-Line makes a statement and features exclusive design accents and advanced safety options. A step up in the Megane Wagon range, your experience is further enhanced by interior trimming upgrades, Renault Sport styling, and on board gadgets.

GT 220

The GT 220 exudes sporting prowess, taking performance to a new level. Born of motorsport heritage, the GT 220 is turbocharged on all fronts. It features an amplified 2.0L engine and a Renault Sport chassis worthy of its racetrack legacy. The GT 220 boasts automatic Stop&Start engine technology for advanced fuel efficiency and the class-leading R.S. Monitor telemetry system to keep track of every drive.

Dynamique

Key features

- Driver and front passenger airbags and side airbags, front and rear curtain airbags
- Anti-lock Braking System (ABS)
- Emergency Brake Assist (EBA)
- Electronic Brake-force Distribution (EBD) with Traction Control

Generous Comprehensive Warranties

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we’ve gained is reflected in the design, performance and quality of every vehicle we sell.

We’re so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we’re backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

Capped Price Servicing

Fantastic Renault value doesn’t end once you’ve got your new vehicle home – you’ll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you’re busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

24/7 Roadside Assistance

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we’ll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

Renault Specialist Technicians

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHs, they’re trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHs use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

Repair & Service Courtesy Cars

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

Renault Dealer Network – The Benefits

Everywhere, at every stage in your car’s life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.
